3035 Whisperwood Dr. Apt 341, Ann Arbor, MI 48105

Mobile: 734-263-4950 E-mail: kyuchen@umich.edu

Personal Website: <https://dv2468.github.io/>

EDUCATION

September 2016 – April 2018 University of Michigan, Ann Arbor, Michigan, United States
Master of Science
Electrical and Computer Engineering(Machine Learning Track)
GPA: 3.4 / 4.0

September 2011 – June 2015 National Taiwan University (NTU), Taipei, Taiwan
Bachelor of Science
Engineering Science and Ocean Engineering (ESOE)
Major GPA: 4.03/4.3, Overall GPA: 3.71/4.3

RESEARCH EXPERIENCE

September 2016 – Present GEMS: Graph Exploration and Mining at Scale Lab, UMich

- Topic: Hash-based Alignment for Multiple Graphs
- Design an algorithm that utilize locality sensitive hashing to find potential matching when given multiple graphs
- Explore through different attributes, hashing settings and datasets to align graphs both effectively and efficiently
- Improve our algorithm and combine with existing alignment algorithms to guarantee performance on larger graphs

September 2015 – February 2016 Mining Large-Scale Graph Data Course, UMich

- Topic: Anomaly Detection via Transfer Learning
- Processed large temporary YouTube Datasets, extracted various attributes and constructed graphs using Python
- Apply machine learning algorithms and learn labels for each node
- Find potential anomalies using mismatches labels and compare with baseline anomaly detection algorithm

WORK EXPERIENCE

September 2015 – August 2016 Teaching Assistant, NTU

- Assisted in Signals and Systems, Linear Algebra, Fundamental Engineering Laboratory, Engineering Mathematic I and II

July 2014 –	Intern at AIRTEK, New Taipei
September 2014	Research and Development Department <ul style="list-style-type: none"> • Constructed a communication system for the controllers and test the stability of the system • Built user interfaces for the products with software provided by the company • Helped repair and test goods to be delivered

AWARDS AND ACHIEVEMENTS

Fall 2014	Presidential Award <ul style="list-style-type: none"> • Awarded to students ranking top 5% in department
January 2014	Bicycle Tour of Taiwan

EXTRACURRICULAR ACTIVITIES

July 2012 –	The ESOE Student Association
August 2014	<ul style="list-style-type: none"> • Activities Coordinator of NTU ESOE Summer Camp, 2014 • Creative Director of the NTU ESOE Orientation Camp, 2013 • Team Leader in the NTU ESOE Summer Camp, 2012
September 2011 – June 2013	NTU Pop Dance Club <ul style="list-style-type: none"> • Public relations
April 2015 – Present	Devoted to working out four times a week

SKILLS

Language	Fluent in Mandarin Intermediate in English
Courses	Data Mining, Machine Learning, Probability, Database Management System, Operating System
Computer Skills	Programming: Python, Oracle SQL, C++, JAVA Software: MATLAB, Hadoop, Microsoft Excel, LaTeX
